The department

The Department of Management is part of Aarhus BSS, one of the four faculties at Aarhus University - a top 100 university. Aarhus BSS holds the distinguished AACSB, AMBA and EQUIS accreditations, the last of which applies specifically to the school's core business activities.

At the Department of Management, we carry out cutting-edge research and teaching in the fields of management, corporate communication and marketing as well as innovation, entrepreneurship and information systems. Our research and degree programmes all have a highly international focus.

We strive to produce high-quality research for the benefit of society and our stakeholders. We also give high priority to publishing our research in leading academic journals and presenting it to our peers at recognised conferences.

Research

The department comprises four research sections:

- Corporate Communication
- Marketing
- Innovation, Entrepreneurship and Information Systems
- Organisation, Strategy and Accounting

BFI* publications

*The Bibliometric Research Indicator (BFI) is a Danish system for calculating points for research publications. Publication channels are ranked at either level 1 (ordinary channels) or level 2 (particularly distinguished channels). For a channel to be ranked at level 2, it must be considered leading in its field.

	2012	2013	2014	2015	GRAND TOTAL

An international environment

At the Department of Management, our research and teaching environment is highly international and culturally diverse. At the moment, 17 different nationalities are represented at the department, and we also have a dynamic exchange of international researchers, who stay with us for long or short periods of time.

Many of our researchers engage in international research collaborations with colleagues from some of the world's leading universities. In addition, the majority of our degree programmes are conducted in English offering our students a vibrant and international study environment.
